

OKLAHOMA OFFICE OF WORKFORCE DEVELOPMENT

OKLAHOMA WORKFORCE DEVELOPMENT ISSUANCE #02-2015

TO: Chief Local Elected Officials
Workforce Development Board Chairs
Workforce Development Board Staff

FROM: Deidre D. Myers, Deputy Secretary for Workforce Development

DATE: July 1, 2015

SUBJECT: Local Area Initial Designation Process

REFERENCES: Title I of the Workforce Innovation and Opportunity Act (WIOA) of 2014, WIOA Section 106.

PURPOSE:

To provide guidance and process for the initial designation of Workforce Development Areas in Oklahoma, along with the process for appealing designation decisions.

BACKGROUND:

The Workforce and Innovation and Opportunity Act (WIOA) mandates that the Governor's Council for Workforce and Economic Development (GCWED) (or "State board") shall assist the Governor in initial designation of Workforce Areas, as required in Section 106, and that an appeals process is in place.

The Governor of the State shall designate local workforce development areas within the State:

- (i) Through consultation with the State board; and
- (ii) After consultation with chief elected officials and after consideration of comments received through the public comment process as described in Section 102(b)(2)(E)(iii)(II).

WIOA further states that the considerations should include the following:

- (i) The extent to which the areas are consistent with the labor market areas in the State;

- (ii) The extent to which the areas are consistent with regional economic development areas in the State; and
- (iii) The extent to which the areas have available the Federal and non-Federal resources necessary to effectively administer activities under subtitle B and other applicable provisions of the Act, including whether the areas have the appropriate education and training providers, such as institutions of higher education and area career and technical education schools.

WIOA states that a unit of general local government (including a combination of such units) or grant recipient that requests, but is not granted designation of an area as a local area, may submit an appeal to the State board under an appeal process established in the State plan.

Initial Local Area Designation

As stated in WIOA section 106, the Governor shall approve a request made for initial designation by any local area if, during Program Years (PYs) 2012 and 2013, the local area:

- (1) was designated as a local area under WIA;
- (2) performed successfully; and
- (3) sustained fiscal integrity.

Initial designation is effective July 1, 2015 through June 30, 2017. Local areas must apply for initial designation using the process included in this directive. Local areas that would like to modify their current geographical boundaries are eligible to apply under their new structure. (See Attachment 2 – Modified Local Area Application for Initial Local Area Designation.)

Subsequent designation will be effective July 1, 2017. Therefore, during the initial designation period, local areas should be planning and preparing to meet the WIOA requirements for subsequent designation [i.e., perform successfully, sustain fiscal integrity, and in the case of a local area in the planning region, meet the regional planning requirements in WIOA section 106(c)(1)]. Additionally, local areas should be preparing to meet the new Office of Management of Budget (OMB) Omni-Circular regulations which apply to new awards and additional funding (funding increments) to existing awards made after December 26, 2014, (i.e., the youth allocations beginning April 1, 2015, and all subsequent allocations).

Definitions

Performed Successfully – A local area has achieved at least 80 percent of their local performance goal on each performance measure for PYs 2012 and 2013.

Sustained Fiscal Integrity – The local area has not been found in violation of one or more of the following during PYs 2012 or 2013:

- (1) Final determination finding(s) from audits, evaluations, or other reviews conducted by State or local governmental agencies or the Department of Labor identifying issues of fiscal integrity or misexpended funds due to the willful disregard or failure to comply with any WIA requirement, such as failure to grant priority of service or verify participant eligibility: or
- (2) Gross negligence – defined as a conscious and voluntary disregard of the need to use reasonable care, which is likely to cause foreseeable grave injury or harm to persons, property, or both; or
- (3) Any failure to observe accepted standards of administration. Local areas must adhere to the uniform administrative requirements set forth in Title 2 CFR Part 200, and Title 29 CFR Parts 95 and 97. ***Local areas must have fully met their federally mandated responsibilities for the two previous program years (PY 2012 and PY 2013) and including timely reporting of WIA participant and expenditure data, timely completion and submission of the required annual single audit, and have not been placed on cash hold for longer than 30 days.***
[In alignment with WIOA Section 106(e)(2).]

DESIGNATION:

WIOA requires that existing federally recognized workforce areas are designated during the first two program years, which is referred to as Initial Designation, and again after the first two program years, which is referred to as Subsequent Designation. Units of general local government that desire to become a new (Attachment 1) or new modified (Attachment 2) local workforce area should follow the WIOA Designation for New Areas requirements in section B.

A. INITIAL WIOA DESIGNATION FOR EXISTING REGIONS: Existing workforce regions operating in accordance with the Workforce Investment Act of 1998 may request initial designation as a Local Workforce Development Area if they have performed successfully and sustained fiscal integrity. An area seeking initial designation must address the following:

1. Submit a completed application to the Governor's Council for Workforce and Economic Development by close of business **July 15, 2015**.
2. The completed application must include Attachment 1 which provides evidence that the area, in program years 2012 and 2013, met or exceeded the agreed upon adjusted levels of performance for the Common Measures, as defined by existing performance agreements, and was not subject to the sanctions process resulting from missing the same measure two years in a row.
3. Provide assurance that during program years 2012 or 2013, the U.S. Secretary of Labor, or the State in place of the Secretary, has not

made a formal determination that the grant recipient or administrative entity for the local area has misexpended funds due to willful disregard, gross negligence, or failure to comply with accepted standards of administration.

4. Provide evidence that the area, in program years 2012 and 2013, was committed to providing quality service through continuous improvement efforts and implemented plans that supported sector partnerships or career pathways; or enhanced services to employers or outreach efforts to the local community. Progress reports submitted to the Oklahoma Office of Workforce Development (OOWD) on annual plans for the years will serve as sufficient data.

The OOWD will recommend approval to the Governor of a local area's request that satisfies these requirements in accordance with WIOA Section 106(b)(2). Initial designation as a local area will remain valid until June 30, 2017.

B. WIOA DESIGNATION FOR NEW AREAS: Any unit of general local government may request designation as a Local Workforce Development Area under WIOA. Modified Local Area Designations for Initial Designation (Attachment 2) will only become effective on July 1 of the next program year. In order for designation to be approved for the start of the next program year, the following steps and timeline must be met.

1. A Modified Local Area Application (Attachment 2) must be submitted to the Oklahoma Office of Workforce Development (OOWD) no later than **February 15, 2016**. The OOWD will work with the requesting area to determine the deadline for the full request.
2. The application must clearly outline the circumstances for the request of designation.
3. The application must also address and explain how the following criteria are met:
